

Signature Cuisine at the Villa

ROSAMÍ is a produce-driven restaurant pushing the boundaries of fine-dining idealism. It is a space to discover exquisite flavours and experience food as art.

The name ROSAMÍ is inspired by the delicate and majestic nature of the ROSE and the word AMÍ which signifies the celebration of friendship.

Flavours of the world

As a team of young passionate chefs led by Chef Cliff Borg, the menu prepared merges skill and technique with inspiration from their childhood memories, personal experiences, travel and their love of food.

The dishes are created using the freshest produce from the Xara Gardens, and from a team of trusted local suppliers. The ingredients are then paired together in a distinctive way to entice conversation amongst guests.

Choose your Menu

Our chefs have prepared 4 distinct menus for you to choose from. The Leaf menu is a vegetarian experience that can be adapted with all other 3 menus.
